MIDDLE AGE

- * A man has reached middle age when he is warned to slow down by his doctor instead of the police.
- * Middle age is when your spouse tells you to pull in your stomach, and you already have.
- * Middle age is when you realize there's one more thing that's biodegradable - you.
- * The really frightening thing about middle age is the knowledge that you'll grow out of it.
- * Middle age is the time we start turning out lights for economic rather than for romantic reasons.

MARK TWAIN SAID:

* Forgiveness is the fragrance that the violet sheds on the heel that has crushed it.

* It is not best that we should all think alike; it is a difference of opinion that makes horse races.

* Action speaks louder than words but not nearly as often.

* A lie can travel half way around the world while the truth is putting on its shoes.

* If you tell the truth, you don't have to remember anything.

A BIT OF IRISH HUMOR

A Canadian ventriloquist is telling Irish jokes in a pub in Dublin, when O'Leary, an irate Irishman stands up shouting, "You're making out we're all dumb and stupid. I oughtta punch you in the nose."

"I'm sorry, sir, I...."

"Not you," says O'Leary, "I'm talking to that little fella on your knee."

*

Two Irishmen looking for work saw a big sign that read TREE FELLERS WANTED. "Oh, now, look at that," said Paddy. "What a pity there's only de two of us!"

*

Pat and Mike are preparing to be blasted into space and have just left the mission briefing when one turns to the other and says, "Pat, where are we goin?"

Mike replies, "Well Pat, the man in charge said we are on a mission to the sun."

"OK," says Pat. But after thinking for a while asks, "Won't it be a bit hot, it being the sun and all?"

"Don't be stupid, says Mike, "the man said we'd be going at night."

*

An Irishman goes to a carpenter. "Can you build me a box that's two inches deep, two inches wide and 50 feet long?"

"Well," says the carpenter, "it could be done, I suppose, but what would you want with a box like that?"

"Well" said the Irishman, "my next door neighbor moved away and forgot to take a few things with him and he asked me to send him his garden hose."
